WINES FROM STELLENBOSCH

Blending Experience

Weekdays 10h00 – 15h00

Established about 50 years ago, JJ Wines has grown over the past few years from a dairy to one of the finest and elegant boutique cellars that the world have seen. Basing their strategy on producing wine through age-old French methods, it is no wonder JJ Wines is known as the “flavour du jour” amongst connoisseurs across the globe. The cellar offers a combination of unique art deco, Cape Dutch and African styles to promote a tasteful environment for making tasting wines.
