

As October arrives we shift into high gear for the Holiday season with many overseas visitors starting to pop in for wine tasting and lunch. On the wine side it's Pinotage Month, at the stables Var and Oratorio are hard at work and in the paddocks in front of the cellar, visitors stop to admire the mares and their cute foals on the green grass.

STUD FARM

Sires and Brood Mares work equally hard to make Avontuur a success.

With the end of the foaling season now in sight and the breeding season having just started, Pippa and her team are gearing up

for daily coverings with Var and Oratorio, who are at the top of their game. As Var is currently leading SA sire and with Oratorio having done so well in last year's listings too, it's a busy time of the year for our two main guys!

Visit our website to see the new-born foals and their proud moms.
