REYNEKE ORGANIC shiraz cabernet sauvignon 2019

winemakers notes

The 2019 Organic Shiraz Cabernet Sauvignon is made up of a blend of 98% Shiraz and 2% Cabernet Sauvignon. Grapes are sourced from the best organic vineyards across the Western Cape, a third of which comes directly from the estate. The grapes are sorted, destemmed and wild, spontaneous fermentation takes place in a combination of concrete tanks and open top stainless steel fermenters. 25% of the wine spends eight months in well-seasoned oak barrels, after which the assemblage is made up and bottled.

tasting notes

A distinct Syrah perfume, with aromas of white pepper, plum and black current open up in the glass once pouring this wine. The palate is well balanced and structured, with juicy fresh tannins & a dry finish. Distinct notes of red fruit and spice on the palate, all add to this complex & enjoyable wine. The limited oak contact makes this red wine smooth and approachable right now. Drink now or until 2022.
