PAULINA'S RESERVE CINSAULT 2022

HARVEST PROCESS

The grapes come from a farm in Paarl, called Otterkuil. The 2.65ha bush vine vineyard was planted in 1954 and is certified with the Old Vine Project.

WINEMAKING

The grapes were destemmed and kept as whole berries. A portion of the stems were left outside in the sun to dry for 5 days and then it was added back into the tank. The dried-out stem's ads perfumed aromatics and texture to the wine. Punch downs took place twice daily. Maturation took place in ceramic Amphora & old French oak barrels.

WINEMAKER'S NOTES

The nose shows subtle notes of cherry, red currant, rose and fynbos while the palate has lovely fruit integrity and flavour intensity without being weighty. It's a wonderfully balanced wine with bright acidity and fine, powdery tannins.
