# THE SLEEPER SHIRAZ 2021

## HARVEST PROCESS

The Sleeper Shiraz is made from vines grown in the Franschhoek Valley. The grapes were harvested by hand early February and placed into small crates.

## WINEMAKING

Fermentation took place in open fermentation tanks using 50% whole bunches. Two punch downs were done daily whilst the wine underwent fermentation, with the grapes being pressed gently after 30 days. Barrel maturation took place in 100% new French oak barrels for a total of 24 months before blending and bottling.

## WINEMAKER'S NOTES

Opulent dark fruit is supported by aromatic notes of spice distinctive to Shiraz. The wine is textured, layered and showing elegance and refined structure.
