THINGS TO DO

Cellar Tour | R100 | Includes a glass of Christina Cap Classique and tasting from a barrel

Our guided cellar tour takes you on a journey through our vineyard and winery. One of our friendly members of staff from our Tasting Room will be your guide for the cellar tour. They are thoroughly equipped with knowledge of the winemaking process, farm and surroundings. If any of the winemakers are available at that time, they will provide further insight to the tour group.

Garden Tours | FREE

Not all garden tours have this special feature, and we are very proud of how the matriarch of Van Loveren, Ouma Jean, planted trees to commemorate special occasions.

The Van Loveren Garden hosts many tree species that were planted by Ouma Jean to commemorate important moments in the family as well as historical events of significance – the end of WWII or when Mandela became president of South Africa.

Running, Hiking & Birdwatching Trails | R70

The 7.5klm Fish Eagle biodiversity trail was named after a pair was sighted breeding near the river. This rugged but rewarding trail offers breathtaking views of the valley, and a large selection of birdlife and diverse range of flora and fauna. Around 200m from the start of our hiking trail, you can expect to come across an olivine melilite pipe. Geologists confirm this type of rock is the remnant of lava that cooled and solidified before reaching the earth's surface to erupt as a volcano. For those who enjoy dog-friendly hikes are welcome to bring their furry friends.

You will need to purchase a permit and sign an indemnity form upon arrival.

Sabrage Experience | The art of opening a bottle of Cap Classique with a sabre.

Guided by our team, you'll witness (or try) this celebratory tradition before enjoying a perfectly chilled glass. A memorable, photo-worthy moment that brings a little sparkle and ceremony to your tasting.

PRICE LIST

Van Loveren Classics

Van Loveren Classics range embody the essence of our beginning. These wines were among the pioneers that laid the foundation of Van Loveren Heritage wines. Our River Red (Shiraz & Pinotage) was our first red wine ever made.

Van Loveren Blanc de Blanc	R61	R331
Van Loveren Moscato Perlé Rosé	R61	R331
Van Loveren River Red	R61	R331
Van Loveren River Red (1,5L)	R105	R574

Tangled Tree

In 1941, Jean Retief planted a Rhus Lancea tree in the Van Loveren garden, sourced from a distant nursery. Her husband, Hennie, playfully insisted that the species was the same Karee tree found all around the area – and to prove his point, he planted a branch of his own beside hers. Over time, the two identical trees grew together, their trunks and branches entwining to form one magnificent tree – a living symbol of love, unity, and nature's connection. This range of wines communicates the wine's flavour profile in an approachable, flavour led way. It's all part of making wine easy to understand, easy to enjoy and easy to choose.

Tangled Tree Tropical Sauvignon Blanc 750ml	R61	R331
